Steven James Petruccio : Twelve Shakespeare Bookmarks (Dover Bookmarks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Twelve Shakespeare Bookmarks (Dover Bookmarks):

On one side they have quotes from Romeo and Juliet, Twelfth Night, Julius Caesar, Macbeth, Othello, The Merry Wives of Windsor, King Lear, The Tempest, The Merchant of Venice, Hamlet, As You Like It, and a Midsummer Night's Dream. On the reverse side, there are nicely rendered color illustrations depicting the relevant scene. They are printed on heavy coated stock and are perforated for easy separation into 2"x6" bookmarks.I always keep two or three Dover bookmark booklets handy and I like to give them away as little gifts to my reading friends.0 of 0 people found the following review helpful. I love this bookmark seriesBy

Sheridan I love this bookmark series. They aren't exactly high quality, but they're cheap, you get a ton of them, and they have nice art on them. If you're the kind of person who wants bookmarks in dozens of books, then just buy a few of these Dover sets (they have many different ones). 0 of 0 people found the following review helpful. good for the money By Mother Confessor for 2 dollars i'm really happy with these book marks. i just needed some affordable bookmarks that i could appreciate. the van gough variety were sold out so i got these and i really like them. i mean, 12 bookmarks?! :)
